Citizen, Dignity, Freedom

Oct 13th, 2022, a citizen put up Pro democracy banners in Beijing, he/she was arrested by police and related images were censored. We, people of China, want to spread this message that speaks our minds in places without censorship and "We shall meet in the place where there is no darkness."

Leven maar GEEN Nul-COVID-Maatregelen Vrijheid maar GEEN Lockdown Waardigheid maar GEEN leugens Hervormingen maar GEEN revolutie Verkiezing maar GEEN dictatuur Burgers maar GEEN slaven
